In 2025, the BOD held 11 meetings to direct, review, and make decisions on matters within the authority of the Board.

3. Supervising the Board of Management by the Board of Directors:

The BOD' supervisory activities over the General Director were carried out in accordance with the provisions of the Charter and the Internal Regulations on Corporate Governance. Issues arising in management and operation within the Board's authority were addressed promptly.

The results of the BOD' supervision over the General Director are as follows:

- The Board of Management has operated the Company within its authorized scope, with responsibility, providing periodic reports on the Company's business and investment activities to the Board of Directors, and seeking the Board of Directors' opinions on matters within its decision-making authority. It has fully implemented the resolutions of the Board of Directors and the General Meeting of Shareholders and continued to carry out the necessary procedures for preparing project investments.

- Effective financial management has been maintained, ensuring the balance of capital sources to support the company's development activities.

- Regular and ad-hoc reports required by state regulatory agencies were complied with thoroughly and diligently.

- Information disclosure was carried out in compliance with regulations.

- Fully implemented the Company's policies for employees, ensuring their material and spiritual well-being.
